HAPPY HOLIDAYS

We hope your holidays are filled with laughter & love.

As the year comes to a close, we find ourselves reflecting on the many things we are grateful for, and at the very top of that list is YOU. Serving as your dental care provider is a privilege we hold dear, and we are honored to play a part in your journey toward optimal oral health.

This year has been filled with moments of growth, connection, and shared smiles. Your trust and loyalty mean the world to us, and we are committed to continuing to provide you with the compassionate, personalized care you deserve.

Looking ahead to 2025, we are excited about new opportunities to serve you better. Whether through advancing our technology, expanding our services, or simply continuing to offer a welcoming environment where you feel at home, we are ready to make the coming year our best yet.

Thank you for being part of our dental family. We wish you and your loved ones a joyous holiday season and a happy, healthy New Year.

Warm regards,

Dr. Wallace and
Palmetto Smiles of Beaufort Team

DR. WALLACE'S HOLIDAY COCKTAIL

"Campfire" Fireball Cocktail

Warm and spicy, just like a bonfire on a summer night – this Campfire Cocktail is made with Fireball cinnamon whiskey and is layered to look like glowing embers!

- 1 teaspoon Grenadine
- 1 ounce Fireball Cinnamon Whiskey
- 1 ounce Bourbon
- 2 ounces Peach Juice
- 1 ounce Rum
- 2 oz Cranberry Juice

ORAL DNA SALIVA TESTING

We are thrilled to announce that Palmetto Smiles now offers Oral DNA Saliva Testing! This cutting-edge diagnostic tool helps us identify bacteria linked to gum disease and other oral health concerns, providing personalized care to protect your smile and overall health.

Oral DNA saliva tests can be used for:

- Periodontal disease diagnosis: Identifying specific bacteria associated with gum disease
- Risk assessment for oral health conditions: Such as tooth decay, oral cancer, and autoimmune disorders
- Genetic testing: Detecting genetic factors that may predispose individuals to oral health problems
- Monitoring treatment effectiveness: Tracking changes in bacterial levels after periodontal therapy
- Detecting systemic health conditions: Certain conditions, such as diabetes and heart disease, may have oral manifestations that can be detected through saliva testing

Ask us about Oral DNA testing at your next visit, and let's take a proactive approach to your oral health!

CELEBRATE COMMUNITY AND CARE WITH PALMETTO SMILES AT THE BEAUFORT MEMORIAL VALENTINE BALL

We are thrilled to announce that our very own Dr. Jennifer Wallace and Becky Cunningham are co-chairing the 2025 Beaufort Memorial Hospital Foundation Valentine Ball! Mark your calendars for February 8, 2025, when this cherished event returns to Tabby Place in downtown Beaufort.

The Valentine Ball is more than just a night of glamour—it's an opportunity to come together as a community to support the future of health care in the Lowcountry. Funds raised will contribute to Beaufort Memorial's Vision Campaign, a 5-year, \$10 million initiative dedicated to expanding access to care, fostering workforce development, and establishing innovative healthcare solutions.

As this year's co-chairs, Dr. Wallace and Becky are deeply committed to making this Valentine Ball a record-breaking success, and we invite our Palmetto Smiles patients to get involved in several meaningful ways:

Purchase Tickets, Make a Donation or Be a Sponsor: Secure your spot at the Valentine Ball and enjoy a night of pre-ball dinner parties, live music, cocktails, a silent auction, and more. Visit www.ValentineBall.org to buy tickets, donate or be a sponsor.

Donate a Silent Auction Item: The silent auction is a highlight of the evening, featuring unique items such as artwork, travel packages, and local experiences. Your contribution can make a difference in this fundraising effort.

Host a Pre-Ball Dinner Party: For those who enjoy entertaining, hosting a dinner party is a fantastic way to kick off the evening and connect with fellow supporters. Guests will enjoy dinner at your home before heading to the main event.

The Valentine Ball has become a tradition that many in the community look forward to—not only for its social impact but for its direct support of health care access in our area. By supporting the Beaufort Memorial Foundation, we're building a healthier community for all.

This year's goal is to raise \$230,000, directly benefiting initiatives like the Vision Campaign, which supports projects like the Bluffton Community Medical Campus and affordable workforce housing for healthcare providers. Together, we can make a lasting impact on Beaufort Memorial's mission to serve our community with quality care.

Hope to see you there!
